City leaders visit the exhibit hall to meet with over 250 exhibiting companies to learn about solutions for challenges in local government.

The NLC City Summit regularly attracts close to 3,000 municipal leaders from almost 50 states. Attendees seek exhibitor solutions in the following areas:

- Economic Development
- Infrastructure and Construction
- Public Safety
- Emergency Planning and Management
- Municipal Finance
- Parks and Recreation
- Computer Hardware and Software
- Environmental Engineering and Planning
- Water and Wastewater Treatment
- Transportation
- After-School Activities
- Family Welfare
- Sustainability
- And more!

The activities in the exhibit hall are designed to bring in the attendees, keep them interested, and encourage walking the aisles and engaging in conversation with exhibitors. The exhibit hall opens with the Welcome Reception on Wednesday evening, and hosts lunches for both exhibitors and attendees on Thursday and Friday. In addition to food in the exhibit hall, you will find mini learning sessions, the conference connection lounge, and the market square to keep the attendees coming back for more.
