

TAMPA BAY 13-16

CITY SUMMIT

EXHIBIT EDUCATE ENGAGE

As NLC celebrates our 100th anniversary, we're reflecting on the innovation developed in our cities over the last 100 years and looking ahead to the possibilities for our communities moving forward.

Recognizing the important relationship the private sector has cultivated with America's municipalities, we hope that you will support this once-in-a-lifetime opportunity.

In addition to expanded hours and non-compete time in the expohall, exhibitors will have new and exciting opportunities to connect with conference attendees. These include the NLC 100th Anniversary Exhibit located in the center of the hall, networking lunches and the Tampa Bay Friday Evening Celebration. Many other activities and events will provide immersive experiences for attendees and exhibitors alike.

OUR ATTENDEE PROFILE

NLC's City Summit is one of the largest gatherings of local elected officials and municipal staff. It brings together council members, mayors, city clerks and department heads. We expect more than 4000 attendees.

Attendees come from communities as large as New York City and as small as Monmouth, OR. For 100 years, NLC has helped to convene local officials and staff to share best practices, learn from each other and meet industry thought leaders.
